DRAFT HORSE CLASSIC LINE CLASS

Emphasis to be placed on an individual that is conformation ally correct and sound on all feet and legs. Balance, breed type, form to function, smoothness of body parts, eye appeal and the action of the individual all to be considered. All breeds, all sexes, to show in the same class.

DRAFT HORSE HITCH CART CLASS

Designed to show a free, easy moving individual that is relaxed, with alert ears, moving balanced with a non-intimidated, forward way of going, and bright and responsive to the driver at various gaits. All breeds, all sexes, to show in the same class.

Rail work, in both directions of the ring, will consist of walking and trotting. Judging will be based on the horse's overall performance and way of going as well as its ability to hold the designated gait. Action, headset, type and eye appeal all to count. Horses may be asked to back.

DRAFT HORSE PATTERN CART CLASS

Will consist of an individual pattern or work, designed to show how well broke the horse is. Work will consist of a simple pattern designed for a two-year old.

1. Enter the arena at a walk toward the right.
2. Trot a complete circle then cut a complete figure of 8.
3. Stop in center of the figure of 8.
4. Fan left, 90 degrees, pause.
5. Fan right, 180 degrees, and pause. Fan left 90 degrees. At all times the cart wheels are to pivot on the line, each way when fanning.
6. At will enter the new obstacle, 4ft X 8ft plywood to simulate a bridge, where both horse and cart must cross completely over bridge.
7. Then move towards and enter keyhole. Drive around keyhole and exit. One cart wheel must be inside keyhole at all times.
8. Go to the left and walk through rails. Cart wheels must be completely past the rails. Then, back clear through the rails.
9. Once out of the rails back up to a 8ft dock rail and stop
10. Proceed forward and trot to the exit gate and leave the pattern course.

Pattern only to be judged with emphasis on the correctness of each element and overall smoothness of the pattern. Speed is not the object. Elements to be judged at the two-year-old ability level.

Scoring Guidelines of Pattern Cart Class

Important: This class is placed by each judge scoring each maneuver and an overall placing given. The score for each element is reflected on a maneuver by maneuver and penalty by penalty basis.

2017 Pattern
Class Course.

The course for the 2017 competition has been reviewed and altered slightly please make note of the amended pattern course.

We look forward to another exciting event which will continue to promote our Draft Horse Industry.

The futurity board members want to ensure the continued success of this program so a meeting was held on February 19th here at Carson's Sales Arena to discuss any issues and make some changes. I enclose a list the main points arising from this meeting:

- Don Walker has resigned and Gillian Tinney will be replacing him. However, he is still willing to help with the transition. We appreciate all his help from the past 6 years.
 - Breeders Award – It was discussed if this should be changed. The award presently sits at 1st - \$500.00 2nd - \$300.00 3rd - \$200.00. The final decision was that it remained the same.
 - The percentage of the selling price for the consignors was to be changed as we all know that the consignors and breeders that have supported this program have contributed as much as the advertisers. It was felt that due to the price of colts and their high demand this change would take place this year at the Fall Sale. The new breakdown is as follows:

Seller will get	55%
Futurity Pot gets	35%
Admin Costs get	10%
 - Should the breakdown of the Futurity Pot change as it takes each of the competitors the same amount of time to break a colt whether your 1st or 10th. Yes, in 2019 the Futurity Prize Pot will be broken down as follows:

1 st Place	20%
2 nd Place	15%
3 rd Place	14%
4 th Place	12%
5 th Place	11%
6 th Place	8%
7 th Place	5%
8 th Place	5%
9 th Place	5%
10 th Place	5%
- All remaining competitors up to 20th place that compete in all 3 events receive \$200.00
- At the Fall Sale, the board members will be responsible for the following duties:

Bob Black & John McWilliams	Obstacle/Pattern Course
Cal Lipsett Jr.	Ring Man
Pat Stokes	Getting Horses to the Ring
Gillian Tinney & Jim Dale	Micro-chipping
Don McWilliams	Announcer
Heather Frank & Gillian Tinney	Points & Awards.

- A few members had expressed concern over how the points system was totaled. This was discussed with the following outcome. All 3 judges will judge each section and give their placing from 1st to 20th or, however many competitors there are. The complete pattern class will be scored by each judge with each judge giving their own places. The sections will not be broken down. The change in this point system will come into effect this year.
- Judges for this year will be: Mark Hochstetler, Mark Barrie & Jon Hayes.
- Sponsorship will remain in house with Margo Carson but each of the board members now has to get at least 1 new sponsor as we will not be getting as much money in the Futurity Pot.
